Explanations	

Within the scope of the agreements executed between our Company and E365 Digital Technology, an Authorization Agreement has been signed for the wholesale and retail sale and marketing of our Company's Electric Vehicle Charging Units (G-Charge) in the United States of America and Mexico. In addition, an Operation-Certification Agreement has also been executed for the operation of commercial Electric Vehicle Charging Stations (G-Charge).

This is respectfully announced to the public.

We hereby declare that the above statements are in compliance with the principles set forth in the Capital Markets Board's Communiqué on Material Events currently in force, that they fully reflect the information received by us regarding this matter/these matters, that such information is consistent with our books, records and documents, that we have made all necessary efforts to obtain complete and accurate information regarding the matter, and that we are responsible for these disclosures.
