Explanations	

Pursuant to the agreement dated 30.05.2023 executed between our Company and Advercharge GmbH, a company established in Germany, regarding the Buyer's Exclusivity for the sale of Electric Vehicle Charging Systems manufactured and marketed by Gersan, with an approximate contract value of 150.000.000,00 USD (One Hundred Fifty Million United States Dollars), a framework agreement has been executed by our Company concerning the acceptance of the sample G-Charge Electric Vehicle Charging Stations and Units, which were developed in accordance with the specifications requested by the Buyer and subsequently shipped to Germany, the transition to the ordering phase for the products covered by the agreement, and the terms and conditions governing such future orders. Under this agreement, the parties have transitioned to the order-based production phase.

This is respectfully announced to the public.

We hereby declare that the above statements are in compliance with the principles set forth in the Capital Markets Board's Communiqué on Material Events currently in force, that they fully reflect the information received by us regarding this matter/these matters, that such information is consistent with our books, records and documents, that we have made all necessary efforts to obtain complete and accurate information regarding the matter, and that we are responsible for these disclosures.
