Date of the previous disclosure regarding the matter	-
Is this disclosure a postponed disclosure?	No
Content of the Disclosure	
Explanations	

A contract was signed with an authorized consultancy firm on 09.06.2026 within the scope of the application to be made in order to enable our Company's shares to be traded on the U.S.-based OTCQX Market, with the aim of increasing our Company's corporate recognition and strengthening its foreign investor base.

We hereby declare that our above statements are in compliance with the principles set forth in the Capital Markets Board's Communiqué on Material Events currently in force, that they fully reflect the information received by us regarding this matter/these matters, that the information is in accordance with our books, records and documents, that we have made all necessary efforts to obtain the relevant information fully and accurately, and that we are responsible for these statements
