Is this disclosure a postponed disclosure?	No
Content of the Disclosure	
Explanations	

Within the framework of the Regulation on the Procedures and Principles Regarding Payments to be Made by the Investor Compensation Center to Investors following the partial annulment of the fourth paragraph of Article 13 of Capital Markets Law No. 6362, refund/payment transactions are carried out by the Investor Compensation Center ("ICC") in respect of the applications to be made by the right holders regarding the shares of our Company within the scope of physical share certificates whose ownership has been transferred to the ICC due to their failure to be dematerialized within the prescribed period.

The deadline for the right holders to apply to the ICC together with the required documents specified below is September 6, 2026.

In this regard, the right holders must first deliver the physical share certificates in their possession to our Company and then apply to the ICC together with the Capital Market Instrument Delivery Minutes to be obtained from our Company, as well as the application petition to be prepared by them, a copy of their identity document and, if any, the certificate of inheritance/power of attorney.

We hereby emphasize that the right holders who hold the physical share certificates of our Company and whose shares have been transferred to the ICC due to their failure to be dematerialized within the prescribed period must apply to the ICC by September 6, 2026 at the latest in order to avoid any loss of rights.

Respectfully announced to the public.

We hereby declare that our above statements are in compliance with the principles set forth in the Capital Markets Board's Communiqué on Material Events currently in force, that they fully reflect the information received by us regarding this matter/these matters, that the information is in accordance with our books, records and documents, that we have made all necessary efforts to obtain the relevant information fully and accurately, and that we are responsible for these statements
